Session 3 "Celebration speech of Egbert Beuving"

- What did the asphalt industry achieve in 40 years and what is next? – Egbert Beuving, retired former Secretary General of EAPA until end of 2018

12.30-13.30

Lunch break and exhibition

13.30-14.45

Session 4 "Communication Session – Strengthen the communication on asphalt's advantages"

- In this session, drawn upon their experience, the participants of the symposium will develop together communications outputs that are accessible and meaningful for all actors in the asphalt sector. Structured by the facilitator, participants will work in groups to design a number of communications tools that can be used to address different priority audiences via different channels (social media, events, media outreach, audio visual etc.) more effectively.
- EAPA Secretary General Carsten Karcher will give a short introduction.
- Katrina Sichel will facilitate the session.

14.45-15.15

Coffee break and Exhibition

15.15-16:30

Session 4 "Asphalt pavements and applications – today and tomorrow"

- The MURE project - Multiple Recycling of asphalt roads – Jean Eric Poirier, Scientific Director of R&D department COLAS SA, France
- EAPA Position on European Classification of Roads - Breixo Gomez-Meijide, Technical Director, EAPA
- Asphalt in Railway Tracks – Xavier Carbonneau, Colas, France
